Professor Dan Bein - chairman of the : כותרת
- Public Commission on Water Policy

Newscastrer: Professor Dan Bein - chairman of the Public Commission on Water Policy - has called on the government to finish its master plan for Israel's water resources within an year. Professor Yoram Avimelech, who is also on the commission, said an action-plan needs to be implemented immediately to return water to nature and to clean up the country's rivers and tributaries. Infrastructure Minister Uzi Landau said that the Water Authority together with his ministry offer an emergency plan which will be submitted to the government in the near future. Water Authority chairman Uri Shani has announced that this year .will probably be Israel's seventh year of draught
